Annual Meeting and Exhibition

June 21-24

Westin Harbour Castle

Focus on:

Current Concepts

New Technology

International Ophthalmology

Vision Science

Controversies in Ophthalmology

The Chair of the COS Council on Continuing Professional Development, Doctor Guillermo Rocha invites you to attend the 2006 Annual Meeting and Exhibition June 21-24 2006 at the Westin Harbour Castle in Toronto.

The Council on Continuing Professional Development and the education committees of the affiliated societies have listened to you and the focus of the meeting will be:

Current Concepts

New Technology

International Ophthalmology

Vision Science

Controversies in Ophthalmology

There will be prominent speakers, contributed papers and posters, small workshops, and the largest display of new ophthalmic products and services in Canada.
