Montréal is one of the world's most international and captivating locations with spacious parks, quaint historic districts, renowned cuisine, ethnic and cultural diversity, and exceptional shopping.

The Council on Continuing Professional Development and the education committees of the affiliated societies have developed stimulating programming based on your suggestions and comments from the 2006 meeting.

General session topics include:

- *Current Concepts in Surgical Innovations Diagnostics*
- *Indispensable Gadgets in Ophthalmology*
- *Low Vision*
- *International Ophthalmology*
- *Infectious Uveitis*
- *Controversies in Ophthalmology*
- *Eye Injuries*

There will be prominent speakers, contributed papers and posters, small workshops, accompanied by the largest display of new ophthalmic products and services in Canada. **This is a meeting you won't want to miss!**
