2011 OMP Compensation Report

As a member benefit, CSOMP members will receive a complimentary copy of the report. The information for the report was gathered as part of the Ophthalmic Medical Personnel (OMP) survey and subsequent article published in the February 2011 issue of the *Canadian Journal of Ophthalmology*. The article: "Survey on Allied Health Personnel in Canadian Ophthalmology: The Scalpel for Change," reviews the recruiting and training needs for OMP, assessing the value of their certification, and compares the ophthalmic practice productivity and performance of non-certified and certified OMP.

A report can also be purchased by non-members at a cost of \$10.00CDN. Please send a cheque or money order payable to CSOMP to the following address:
