## COS CONFLICT OF INTEREST DISCLOSURE FORM

Please download a copy of this form from the Continuing Professional Development page of the COS website (<http://www.cos-sco.ca/cpd/>).

COS is an accredited Continuing Professional Development provider of the Royal College of Physicians and Surgeons of Canada (RCPSC). RCPSC guidelines dictate that disclosure must be made to the audience whether you do or do not have a relationship with a commercial entity such as a pharmaceutical organization, medical device company or communications firm. Disclosure is not intended to restrict content, but to inform the audience that a financial relationship exists in order to ensure balance, independence, objectivity, and scientific rigor in the accredited educational activity.

All Planning Committee members and faculty **MUST** disclose any and all financial interest or “in kind” relationships with commercial organizations *over the previous 2 years, not just those relevant to the subject being discussed*. Examples of financial relationships include, but are not limited to: any direct financial interest in the organization, investments held in the organization, membership on advisory boards or committees, current or recent participation in clinical trials sponsored by the organization, member of speakers’ bureau, holding a patent for a product, etc.

Failure to disclose or false disclosure may result in your removal from the activity and/or committee.
