

# Cataract Surgery - Premium IOLs

## Chirurgie de la cataracte - les LIO premium

Saturday, June 14 | 0800-0930 | Frontenac A/B  
Samedi 14 juin

### **Objectives - Objectifs**

Participants can increase

- knowledge regarding the new premium IOLs
- ability to identify the potential problems with these new lenses and knowledge of how to avoid them

Les participants pourront :

- connaître davantage des nouvelles LIO Premium,
- mieux prévoir les problèmes potentiels de ces nouvelles lentilles et savoir comment les éviter.

### **Guests - Invités**

Steven H. Dewey, MD / Terrence P. O'Brien, MD

### **Moderators - Animateurs**

Lindsay Ong-Tone / Rosa M. Braga-Mele

- 0800 | Monovision spectacle independence using the Softport AO platform  
**J.E. McDonald**
- 0807 | Near visual acuity in patients with bilateral implantation of the SynchronyDual optic IOL  
**G.H. Beiko, A. Abhayambika**
- 0814 | Comparison of contrast sensitivity, visual phenomena, and satisfaction after implantation with mixed (ReZoom and Tecnis MF) or matched multifocal IOLs  
**M. Boileau, N.M. Quesnel, A. Hakim**
- 0821 | Vision and patient outcomes in presbyopic population with bilateral implantation of ReSTOR aspheric multifocal IOL  
**J.F. Blaylock, Z. Si, S. Aitchison, C. Prescott**
- 0828 | Does the Tecnis/Rezoom combination give greater spectacle independence than the pure Restor or Rezoom application?  
**C. Kranemann**
- 0835 | Discussion
- 0845 | Subjective patient reported quality of vision after bilateral implantation of the AcrySof Toric natural IOL: preliminary results  
**P. Faber, I. Ahmed, D. Belliveau, J. Blaylock, H. Climenhaga, J. Gohill, A. Gregoire, S. Herzig, F. Law, J. Ma, D. Meyer, M. Podtetenov, G. Rocha, A. Slomovic, R. Stein**
- 0852 | Visual function after implantation of bilateral AcrySof Toric natural IOL: preliminary results  
**J. Gohill, I. Ahmed, D. Belliveau, J. Blaylock, H. Climenhaga, P. Faber, A. Gregoire, S. Herzig, F. Law, J. Ma, D. Meyer, M. Podtetenov, G. Rocha, A. Slomovic, R. Stein**
- 0859 | Staged implantation of refractive IOLs: optimizing patient satisfaction and outcomes  
**G.H. Beiko, A. Abhayambika**
- 0906 | Conquering the challenges of refractive IOLs  
**Terrence P. O'Brien**
- 0917 | Discussion
