2020 Sally Letson Symposium – Cancellation Notice
June 2020

After carefully considering the evolving situation with COVID-19, the Public Health Agency of Canada’s advice on mass gatherings during this pandemic, and the current risk in Canada being “high”, the Sally Letson Foundation Board made the difficult decision to cancel the Sally Letson Symposium, scheduled to be held in Ottawa from September 10 to 12, 2020. The 2020 program topic “Cornea, Cataract, Refractive Surgery and Wellness” will be moved to 2021 (September 9-11, 2021).

For current additional information, please visit:

Travel and Hotel Cancellations
For those who have booked accommodations at the host hotel (The Westin Ottawa) your accommodations will automatically be cancelled. However, you will be responsible for cancelling any travel plans you may have made directly with your airline provider or accommodation bookings with other hotels.

We look forward to seeing you next year!

Sincerely,

Kashif Baig, MD
Executive Director
Sally Letson Foundation
