

There's a Place for You in Thunder Bay!

We are currently recruiting for two full-time
Ophthalmologists

Thunder Bay Regional Health Sciences Centre (TBRHSC) is currently recruiting for two (2) full-time Ophthalmologists to join our existing team of 2 full time ophthalmologists with full spectrum practices and 1 community ophthalmologist that assists in non-operative on-call coverage. The preferred candidate will have certification in Ophthalmology and be licensed or eligible for a license to practice in Ontario with the College of Physicians and Surgeons of Ontario.

Our Ophthalmology Service provides on-call services to TBRHSC and incorporates operative time and time in our Ambulatory Care department, which has YAG SLT and Argon Lasers, as well as fluorescein angiography. As the regional centre for Northwestern Ontario, our Ophthalmologists also provide consultation services for regional health care providers.

TBRHSC is a state of the art, 395 funded bed acute care facility. Our hospital provides coverage to a regional population base of 250,000 people and delivers all services, which will include Cardiac Surgery by 2020. TBRHSC is the Regional Trauma Centre and Cancer Referral Centre for Northwestern Ontario.

Teaching, research and continuing professional development opportunities for physicians and health professionals are offered through numerous institutions, including: TBRHSC; the Northern Ontario School of Medicine (NOSM); and the Thunder Bay Regional Health Research Institute (TBRHRI).

Interested applicants should forward their CV's with covering letter to the attention of:
