
Comprehensive General Ophthalmologist
Trillium Health Partners – Surgery Program

Trillium Health Partners (THP) is the largest community based academic health network in Ontario, serving over one million residents in the communities of Mississauga, Peel Region and West Toronto. The hospital encompasses three main sites – Credit Valley Hospital (CVH), Mississauga Hospital (MH), and Queensway Health Centre (QHC) – offering a full range of acute care hospital services, as well as a variety of community-based specialized programs including the Peel Regional Cancer Centre. THP is a regional tertiary level ophthalmology centre, providing glaucoma, complex cataract/IOL surgery, paediatric ophthalmology/strabismus, corneal, oculoplastic care and cataract surgery.

Trillium Health Partners' Surgery Program is seeking a General Ophthalmologist to be a member of our Division of Ophthalmology especially to support the reduction of Cataract Surgery wait times. The ideal candidate will have FRCS(C) certification in Ophthalmology. In this role the physician would join a dedicated team of fellow Ophthalmologists and work closely with the interprofessional team to support patient/family centered care.

The individual will be expected to participate in the Division of Ophthalmology's hospital and regional on-call schedule. Surgical time for cataract surgery would be available for this individual. It is expected that the candidate would provide adult and pediatric comprehensive office-based care and whose office would be based in Mississauga Halton Region to serve the residents of our community.

The organization is an affiliated academic teaching centre with the University of Toronto. The preferred candidate would be expected to participate in teaching of undergraduate and postgraduate medical learners, participate in quality improvement initiatives and also clinical and applied research work. Excellent interpersonal skills and a commitment to an inter-professional care model are also essential.

The position represents an opportunity to join a group of dedicated healthcare professionals in a progressive organization. The successful candidate will be licensed in good standing in Ontario or eligible for a license to practice in Ontario. THP is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups and others who may contribute to further diversification of ideas. All qualified candidates are encouraged to apply however new ophthalmology surgeon graduates will be preferred.

Interested candidates are requested to reply with a letter of interest, curriculum vitae and the names and contact of three referees no later than **December 31, 2019** to:
