Health**

LEARNING. LEADERSHIP. LIFESTYLE. It's all right here.

Lakeridge Health, has everything you seek - in your career and beyond. As one of Ontario's largest hospital networks and the dedicated cancer centre for the Central East LHIN, we foster a culture that promotes career advancement, learning opportunities and great quality of life. Through our five hospital sites, in Ajax-Pickering, Bowmanville, Oshawa, Port Perry, and Whitby we provide a broad range of healthcare services to a diverse population, with a focus on achieving excellence - every moment, every day.

### **Locum Comprehensive Ophthalmology Position**

Become part of a busy Ophthalmology team at Lakeridge Health Oshawa, providing medical ophthalmology, glaucoma care, ROP screening examinations, cataract surgery, access to SLT and Yag Laser clinics. You will also provide on-call services on a rotating basis, at each of the Lakeridge Health hospitals. A fully equipped laser clinic and cataract suite is located at our Bowmanville hospital, where all surgical and laser procedures are carried out.

This full-time practice opportunity, with an expected start date as soon as possible, offers an elective surgical practice in Oshawa within 60 minutes of downtown Toronto.

We are part of a five-site organization, in association with the Durham Regional Cancer Centre. Remuneration will be based on the OHIP fee-for-service, with a HOCC on-call stipend. Applicants must have certification in Ophthalmology from the Royal College of Physicians and Surgeons of Canada and must be licensed to practice in the Province of Ontario. The duration of the locum is for 1 year with the possibility of a permanent position. Fellowship training in Glaucoma, pediatric ophthalmology or cornea would be welcome.
