## **Ophthalmologist**

Victoria, Vancouver Island, BC

The Vancouver Island Health Authority (Island Health) Department of Surgical Services is seeking an ophthalmologist to join the Division of Ophthalmology in beautiful Victoria, British Columbia.

Eligible applicants must:

- hold Royal College of Physicians and Surgeons of Canada (FRSC) certification in Ophthalmology
- have completed ophthalmology residency (Canadian training preferred)
- having 1 year of uveitis post graduate fellowship at a recognized program an asset but not required
- have training completed by July 2021
- and, be eligible for full licensure with the College of Physicians and Surgeons of BC

Through the Eye Clinic at Royal Jubilee Hospital the successful candidate would have access to a fluorescein angiography unit, ophthalmic ultrasound, diode and YAG/SLT/Argon lasers and a fully equipped treatment room for minor surgical procedures. The successful candidate will also have dedicated surgical time in clinic 6 for cataract and other eye surgery. There is an expectation for the successful candidate to establish a community based practice. Full participation on the on call schedule (1 in 12) is an expectation of this position. Appointment with Island Medical Program / UBC with medical student teaching a requirement. There are research opportunities but no requirement.

Victoria, British Columbia's scenic capital, is located on the southern tip of Vancouver Island. Renowned for its breathtaking natural beauty and enviable quality of life, this is an ideal place to pursue your medical career and create the kind of lifestyle only dreamt about. Few areas in the world can match BC's scope of outdoor activities, with Vancouver Island offering everything from skiing and snowboarding, to golf, and world-class fishing. With Victoria's temperate climate, its rich heritage and vibrant cultural scene, this is the perfect place to start your newest adventure.
