

LEARNING. LEADERSHIP. LIFESTYLE. It's all right here.

Lakeridge Health, has everything you seek - in your career and beyond. As one of Ontario's largest hospital networks and the dedicated cancer centre for the Central East, we foster a culture that promotes career advancement, learning opportunities and great quality of life. Through our five hospital sites, in Ajax-Pickering, Bowmanville, Oshawa, Port Perry, and Whitby we provide a broad range of healthcare services to a diverse population, with a focus on achieving excellence. One System. Best Health.

Full-Time Ophthalmology Position

The Division of Ophthalmology within the Department of Surgery, Lakeridge Health is now seeking a full time community comprehensive ophthalmologist, who meets the definition of a new graduate, according to the Ministry of Health guidelines. The new candidate will join a busy and vibrant group, providing ophthalmology care to the entire Region of Durham. This position will commence on July 1, 2021. Applicants must be eligible for licensure by the CPSO, and must have completed a recognized Ophthalmology residency, with FRCSC certification. Subspecialty training is not required, but an interest in glaucoma or pediatrics would be an asset. Candidates must be prepared to work within the Durham Region.

Job responsibilities will include medical ophthalmology, management of glaucoma patients, screening and following Retinopathy of Prematurity at the Oshawa Hospital NICU, cataract surgery, access to yag, SLT and retinal laser, as well as providing call coverage on a rotating basis for all 5 hospitals that comprise Lakeridge Health (Ajax-Pickering, Whitby, Oshawa, Port Perry and Bowmanville). Lakeridge Health has partnered with Queen's University Medical School, and as a result of this, there will be opportunities for teaching and mentoring medical students and resident trainees. A fully equipped cataract suite and laser clinic are available at the Bowmanville Hospital, where all procedures are carried out.
