

Dr. Phil Hooper, MD, FRCSC

Dr. Phil Hooper trained in Internal Medicine and Ophthalmology at Western University. Following this he did fellowships in Retina and Uveitis at the University of Southern California, and Washington University. He has served as Program Director at the Ivey Eye Institute and was Chair and Chief of Ophthalmology from 1996 to 2008. Dr. Hooper is finishing two terms as Chair of the Council on Advocacy at the Canadian Ophthalmological Society (COS) and was Editor-in-Chief of the Canadian Journal of Ophthalmology from 2008-2018. He serves as Ophthalmology lead for the Ontario Wait Time Program, and Co-Chairs the Ontario Vision Care Task Force.
