

BIO: VIVIAN HILL

Dr. Vivian Hill completed fellowship in Ocular Pathology in Ottawa. At the University of Ottawa, Dr. Hill then completed ophthalmology residency and completed a Pediatric Ophthalmology fellowship in Calgary. Dr. Hill is currently an assistant professor at the University of Calgary, where she leads undergraduate ophthalmology at the Cumming School of Medicine and participates in residency and fellowship training. She is a member of the examination board of the Royal College of Physicians and Surgeons of Canada as an optics and pediatric ophthalmology examiner and also participates as a Medical Council of Canada examiner. She sits on the executive of the Eye Physicians and Surgeons of Alberta as past Fees Chair and current Advocacy Lead. Her interests include pediatric ophthalmology and strabismus, retinopathy of prematurity, medical education as well as vision safety in the setting of expanding injectable medical esthetic practices. Present community service includes sitting as a director on the Board of West Island College in Calgary which excels in academic rigour and experiential learning. She has received Calgary's top 40 under 40 award as well as teaching awards at the Cumming School of Medicine.
