

PEDIATRIC OPHTHALMOLOGIST, Ophthalmology

The Division of Ophthalmology at Windsor Regional Hospital (WRH) in Windsor, Ontario is inviting applications for a full time Pediatric Ophthalmologist to join its team!

The successful candidate will join a well-established team of Ophthalmologists in delivering pediatric ophthalmic services at WRH. Access to operating room resources will also be provided.

Windsor Regional Hospital is affiliated with the Schulich School of Medicine & Dentistry, Western University (Windsor Program) and we encourage faculty appointment. This affiliation will provide the preferred candidate the opportunity to pursue scholarly activities.

Applicant Physicians must have licensure with the College of Physicians and Surgeons of Ontario (CPSO) and have, or must be eligible, for certification in Ophthalmology from the Royal College of Physicians and Surgeons of Canada. The successful candidate must possess pediatric ophthalmology fellowship training.

About Windsor Regional Hospital

Windsor Regional Hospital is a multi-faceted, health services organization operating from two main sites, the Metropolitan Campus and the Ouellette Campus. We are the regional provider of advanced care in areas that include complex trauma, renal dialysis, cardiac care, stroke and neurosurgery, intensive care, acute mental health, family birthing centre, neonatal intensive care, paediatric services, regional cancer services and a broad range of medical and surgical services required to support these specialized areas.

About Windsor-Essex

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities such as golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, big league sports, and entertainment are just moments away. Best of all, you can enjoy access to all of these big-city advantages while living in the relative tranquility (and low costs) of a much smaller, friendlier community.
