

Geographic Full-Time Glaucoma Specialist position, The Ottawa Eye Institute

The University of Ottawa Department of Ophthalmology has opened a new academic geographic fulltime position and are seeking a fellowship trained glaucoma specialist to join our dynamic team at the Ottawa Eye Institute. This appointment would include a prominent teaching role for residents and other trainees. It would also include an appointment with the Ottawa Hospital Research Institute and the expectation of sustained clinical research. The successful applicant will also hold a consultant position with the Children's Hospital of Eastern Ontario.

Primary Responsibilities:

- 1) Training and supervision of trainees in the operating room, clinic, and classroom settings.
- 2) Tertiary level glaucoma care including emergency on-call service.
- 3) Commitment to research activities within the department.

Resources:

- 1) Four half days of clinic time at the Ottawa Hospital Eye Institute.
- 2) Access to the OR resource at the Ottawa Hospital as per current allocation methodology. At least half of this time will be dedicated to glaucoma surgery with the remaining time available for cataract surgery. Surgical time is contingent upon sustained teaching and research activity.
- 3) Access to the minor room and lasers (YAG, SLT, Argon).
- 4) A new glaucoma clinic at the uOttawa Eye provides a state-of-the-art facility for the care of glaucoma patients.
- 5) Office space

The successful candidate will have an academic appointment with the University of Ottawa and an appointment as a researcher with the Ottawa Hospital Research Institute (OHRI). There would also be a consultant role with the Children's Hospital of Eastern Ontario (CHEO).

Applicants must be eligible for certification with the Royal College of Physicians and Surgeons of Canada and licensure with the College of Physicians and Surgeons of Ontario.
