The physician must complete a full credentialing application and must have their appointment approved by the Medical Advisory Committee and Board of Directors.

### Responsibilities

- Provide timely assessments of hospital ophthalmology consults at both Cortellucci Vaughan Hospital and Mackenzie Richmond Hill Hospital.
- Provide an equal share of evening and weekend regional on-call coverage with Southlake Regional Health Centre and Markham Stouffville Hospital, approximately 1 in 11.
- Support outpatient ophthalmology referrals from the Emergency Departments.
- Be willing to set up practice in Richmond Hill or Vaughan.

### Skills – Abilities – Experience

- Excellent communication and interpersonal skills.
- Ability to work both independently and as a team member within a group environment.
- Proven attendance record.
- Ability to perform the essential duties of the job.
- Demonstrates behaviors consistent with Mackenzie Health's Commitment to Caring.
- Models behavior that is aligned with the values of Mackenzie Health – Excellence, Leadership and Empathy.
- Commitment to providing an exceptional experience for staff and clients within a challenging and exciting health care environment.
- Contributes to patient and staff safety.

### Education – Certification – Licenses

- Medical degree approved by the College of Physicians and Surgeons of Ontario (CPSO) required.
- Post Graduate training in Ophthalmology.
- Certification in the Royal College of Physicians and Surgeons (FRCPC).
- Canadian Medical Protection Association or equivalent in good standing.
- Ontario Medical Association.
