

OPHTHALMOLOGIST OPPORTUNITY

VICTORIA, BC

Ophthalmologist opportunity on beautiful Vancouver Island

The Island Health Division of Ophthalmology is seeking a combined Pediatric and Adult ophthalmologist to join their team in beautiful Victoria, British Columbia.

Eligible applicants will hold Royal College of Physicians and Surgeons of Canada certification in Ophthalmology, have minimum 1 year of Pediatric ophthalmology post graduate fellowship at a recognized program, and be eligible for full licensure with the College of Physicians and Surgeons of B.C.

Responsibilities will include: consultation for medical and surgical pediatric ophthalmology, pediatric and adult strabismus surgery, pediatric intraocular surgery, adult comprehensive ophthalmology, sharing ROP screening for South Vancouver Island at the NICU. Adult intraocular surgery (cataract surgery) would not be required but would be available based on the candidate skill set and interest.

Vancouver Island

Where your work life meets balance

WHY CHOOSE VICTORIA?

Victoria, British Columbia's scenic capital, is located on the southern tip of Vancouver Island. Renowned for its breathtaking natural beauty and enviable quality of life, this is an ideal place to pursue your medical career and create the kind of lifestyle only dreamt about. Few areas in the world can match BC's scope of outdoor activities, with Vancouver Island offering everything from skiing and snowboarding, to golf, and world-class fishing. With its temperate climate, rich heritage and vibrant cultural scene, Victoria provides the very best of urban and rural living.
