

PEDIATRIC OPHTHALMOLOGIST

Alberta Children's Hospital, Calgary, Alberta

The Department of Surgery, Alberta Health Services – Calgary Zone and the University of Calgary invite applications for a Pediatric Ophthalmologist at the Alberta Children's Hospital in Calgary, Alberta. Required qualifications include a MD, certification by the Royal College of Physicians and Surgeons of Canada in Ophthalmology, or equivalent, and a minimum of one year fellowship training in Pediatric Ophthalmology. Applicants must be eligible for licensure in the province of Alberta. Please provide a letter of eligibility from the College of Physicians and Surgeons of Alberta (CPSA). This position is considered sponsorship eligible by Alberta Health Services. Special training and/or interest in pediatric ocular oncology or oculoplastics will be an asset.

The successful candidate will be expected to have a clinical appointment with the University of Calgary, Cumming School of Medicine, Department of Surgery, and to participate in medical student and resident teaching. Full pediatric ophthalmology clinic service will be provided on site at Alberta Children's Hospital. The candidate will be expected to participate in retinopathy of prematurity screening of neonates at NICUs across the city. In addition, the successful candidate will have a call obligation in accordance with both the Alberta Children's Hospital and Alberta Health Services policies.

The successful candidate will become a member of both the Section of Pediatric Surgery and the Section of Ophthalmology. Committee duties and active participation in the sections is required.

Priority will be given to applicants who are either Canadian citizens or permanent residents of Canada. Alberta Health Services and the University of Calgary are committed to employment equity.

Please submit a letter of application, your curriculum vitae, proof of fellowship training and three letters of reference by Feb 16, 2024 to:
