Job Title:	Ophthalmologist, Glaucoma and Uveitis Fellowship Trained
Work Site:	2550 Willow Street, Vancouver BC V5Z 3N9
Status:	Permanent
Start Date:	September 01, 2024
Compensation Type:	Fee-for-Service

Come work as an Ophthalmologist with Vancouver Coastal Health (VCH)!

The Ophthalmology Department at Vancouver Hospital Eye Care Centre and the University of British Columbia are seeking applicants for the post of ophthalmologist: glaucoma and uveitis fellowship trained. Candidates must have Canadian citizenship or landed immigrant status, be licensed to practice in British Columbia, have Canadian Medical Protective Association (CMPA) coverage, and have Royal College certification. The candidate will be required to maintain an office at the Vancouver General Hospital/University of British Columbia Eye Care Centre and provide glaucoma and uveitis eye care. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code. This position provides admitting and operating privileges at the Vancouver General Hospital and operating privileges at the Eye Care Centre as well as access to the Eye Care Centre's shared lasers.

The successful applicant will be eligible for the consideration of teaching position at the University of British Columbia. No salary is provided for this position as it is based on fee for service billing. Responsibilities include participation in the ophthalmology on-call rota and an active role in the teaching of medical students, residents, colleagues, and nurses, as determined by the department head. Resident surgical teaching is expected during allocated OR time following guidelines of the university department.

The successful candidate is expected to participate in departmental and hospital committees, attend departmental meetings, and to contribute to clinical research. Preference will be given to candidates with the potential to contribute significantly to the academic and administrative goals of the Department and University. The candidate should provide 3 letters of reference indicating good character, records of service to the university and general community, competence in cataract surgery, glaucoma surgery, and uveitis management, and a demonstrated record of successful teaching endeavours with medical students and residents.

Qualifications

Education, Licensing, & Experience:

- Advanced Cardiovascular Life Support (ACLS)- Desired
- Canadian Medical Protective Association (CMPA)- Mandatory
- Fellow of the Royal College of Surgeons of Canada (FRCSC)- Mandatory
- Surgical Skills- Mandatory competence in angle-based surgery, bleb-based surgery, tube shunt surgery, complex cataract surgery

Interested in applying? Feel free to reach out to Ben Murphy, Executive and Medical Staff Talent Acquisition Advisor: medstaffcareers@vch.ca or click "Apply Now."

Please note that a resume and coverletter are required to apply for this position.

As per the current Public Health Orders, as of October 5, 2023, all employees working for Vancouver Coastal Health must be fully vaccinated for COVID-19 or have received a single

dose of the most-recent, updated COVID-19 vaccine. Proof of vaccination status will be required.
