

Ophthalmologist

Comox, Vancouver Island, BC

The Island Health Division of Ophthalmology has a position for a general ophthalmologist to join four others at the Comox Valley Hospital. Fellowship training would be an asset. Eligible candidates will hold, or be eligible for, full FRCSC in ophthalmic surgery and full licensure with the College of Physicians and Surgeons of B.C.

On-call responsibility is one in five. The recently opened North Island Comox Valley Hospital serves a referral population of 70,000. Surgical services include Orthopedics (Joint revision, and Trauma), General Surgery, ENT, Plastics, Ob/Gyn, Urology, Dental and Ophthalmology. The hospital has a closed ICU, diagnostic (including CT scanner and MRI) and interventional radiology. Island Health is also affiliated with the UBC Faculty of Medicine.

At Island Health, we recognize, gain knowledge and respect the differences in each individual we serve. The right to feel culturally safe is for everyone.

Benefits:

May be eligible for additional remuneration in accordance with the Rural Subsidiary Agreement (RSA), including (subject to change):

Recruitment Incentive: up to a maximum of \$10,000 (pro-rated based on FTE)

Relocation: up to a maximum of \$15,000 (amount based on location relocating from)

Flat fee: \$10,739.52

Fee Premium: 6.93%

CME: \$3,000 in years 3 and 4 and \$6,000 after 4 years.
