

Medical Retina, Calgary, AB

Calgary Retina Consultants (CRC) is looking to recruit a full-time medical retina specialist starting in August 2025. Full on-site diagnostic department (wide field imaging, IVFA, VF, Biometry, B-Scan, PDT, OCT-A), Pascal Laser, YAG/SLT. A full medical retina practice is available due to a retirement with further opportunity to grow / develop your own independent practice at CRC. On-site compounding pharmacy with excellent pharmaceutical support. For applicants also interested in provision of surgery additional options may be considered based on licensure and local privileging processes.

The ophthalmologist will have successfully completed a fellowship in retina and must be eligible for independent practice licensure with the College of Physicians and Surgeons of Alberta. Interested candidates are invited to inquire about this opportunity by sending their CV to Teresa.Bowles@calgaryretina.ca
