Opportunities:

Join our dedicated surgical program supporting a high-volume Ophthalmology department. Sault Area Hospital offers a dedicated Ophthalmology OR, modern phaco platform, and full clinic support, including specialized nursing, OCT imaging, YAG and Argon lasers, and fully equipped exam and minor procedure rooms. Enjoy ample surgical volume, reliable OR access, and equitable call (1 in 4 weeks).

Engage in academia with an affiliation to NOSM University and mentor medical students and residents.

Embrace research opportunities, supported by the Sault Ste. Marie Academic Medical Association.

You bring:

Candidates should have fellowship credentials from the Royal College of Physicians and Surgeons of Canada or be exam-eligible.

Eligibility for an independent practice license with the College of Physicians and Surgeons of Ontario Ophthalmology specialty certification is a requisite.

We offer:

Low cost of living, excellent salary, *and so much more!*

- We offer an attractive and competitive remuneration package, complemented by shared call stipends.
- The Ministry of Health's Community Assessment Visit Program will cover travel and accommodation expenses for candidates and their spouses interested in exploring opportunities in Sault Ste. Marie.
- The Sault Ste. Marie Physician Recruitment and Retention Program provides a relocation allowance in addition to a generous Northern and Rural Recruitment & Retention Initiative of over \$83,000 over four years.
- Join the Northern Specialist Alternate Payment Plan, a highly enticing opportunity for those interested in practicing in the North.

Where you will live...

Perched on the St. Mary's River, Sault Ste. Marie seamlessly blends urban amenities with nature's beauty, bridging Lake Huron and Lake Superior at the Canada–United States border. This dynamic city offers rich cultural experiences, year-round outdoor activities, and an esteemed school system. Whether indulging in arts or embarking on wilderness adventures, there's something for everyone. Plus, with connectivity ensured by multiple Canadian and American airlines, Sault Ste. Marie stands as a convenient, vibrant destination.

Where you will practice...

Sault Area Hospital (SAH), a state-of-the-art, up-to-300-bed facility that opened in 2011, serves the city and the District of Algoma, supporting a catchment population of approximately 115,000. SAH offers a comprehensive range of healthcare services, including the Algoma District Cancer Program and a Regional Renal Program, along with full diagnostic support featuring a 1.5 Tesla MRI and two CT Scanners.
