

The Department of Surgery, Division of Ophthalmology is seeking a Full Time Associate with Glaucoma Subspecialty interest.

The Division of Ophthalmology in the Department of Surgery is a collaborative team of 11 Ophthalmologists who provide ophthalmic care in the Brampton/Etobicoke community. The selected ophthalmologist will provide emergent, urgent and acute care ophthalmology call coverage for Osler's emergency department, urgent care centre and inpatient units including NICU coverage for ROP screening. The selected candidate will have access to available OR resources. Remuneration is fee-for-service as set by the OHIP Schedule of Benefits and Fees.

Qualifications

The candidate must have completed a surgical glaucoma fellowship. Also, the candidate must have a valid certificate of registration for independent practice from the College of Physicians and Surgeons of Ontario as well as a fellowship in Ophthalmology from the Royal College of Physicians and Surgeons of Canada. The position requires excellent communication skills in English. Additional languages are considered an asset as we serve a highly diverse population.

About the Program

The Ophthalmology program at William Osler Health System offers a dynamic and collaborative environment for general and subspecialty ophthalmologists seeking to advance their careers in one of the fastest growing community hospitals in Ontario. Besides cataract surgery, our program supports a broad range of subspecialty services including surgical cornea, glaucoma, oculoplastics, pediatrics, and medical retina. Physicians joining the team will enjoy a supportive, collaborative environment with opportunities for mentorship, teaching, research, and ongoing professional growth, all while contributing to the program's commitment to delivering high-quality, patient-cantered eye care.

About Osler

William Osler Health System (Osler) includes Brampton Civic Hospital, Etobicoke General Hospital, and Peel Memorial Centre for Integrated Health & Wellness. Serving 1.3 million residents of Brampton, Etobicoke and surrounding communities within the Central West region and nationally recognized for its commitment to patient safety. Osler is Accredited with Exemplary Standing, the highest rating a Canadian hospital can receive.

Osler is a primary clinical partner for Toronto Metropolitan University School of Medicine and is an academic community partner with the University of Toronto's Temerty Faculty of Medicine and McMaster's Michael G. DeGroote School of Medicine. Successful applicants are eligible for a faculty appointment at an affiliated medical school.
