Over \$4,000 in benefits!

Renew or join today!

Invest in your career, your practice, and the future of ophthalmology in Canada with a COS membership. Your annual membership pays for itself with exclusive benefits, including:

Professional Resources & Savings

- **\$1,326** discount on COS Annual Meeting and Exhibition registration
- **\$200** value – complimentary Canadian Journal of Ophthalmology subscription
- **\$500** in free job board and locum postings
- **\$2,000** in members-only educational content (MOC credits)

Exclusive Access & Advocacy

- Priority registration for learning opportunities and in-person meetings
- Members-only resources, including our 24-hour ophthalmic drug shortages webpage
- A voice in national advocacy through working groups and the Advocacy Council

Community & Connection

- Networking with leading ophthalmologists across Canada
- Collaboration through members-only listservs, councils and committees, and working groups
- Events designed to support professional development and career growth

The value has never been clearer—don't miss out! Renew your membership or join today and stay connected to the heart of ophthalmology in Canada.
