About Us	NL Health Services is the provincial health authority, delivering a full continuum of care across Newfoundland and Labrador. We are committed to finding qualified and caring healthcare professionals to provide the highest quality of care possible. We value diversity and strive for an inclusive accessible environment while as we work towards our vision of Healthy People, Healthy Communities!
Why Newfoundland and Labrador?	Put your skills to great use in a unique and remarkable part of the world. Urban or rural, coastal or inland, connected or remote, life in Newfoundland and Labrador comes with a vast array of new and exciting experiences, including: • Unparalleled access to nature, with beachcombing, fishing, kayaking, hiking, berry picking, and more just steps from your door! • Safe, family-friendly environments with excellent schools, low crime rates, and a strong sense of belonging. • Tight-knit communities that will welcome you to the province with a warm smile and open arms. Here, healthcare professionals are our trusted leaders, advocates and neighbours. Their perseverance and commitment to the people of our province, every day, is truly nothing short of extraordinary. We think you'll love our province, our people, and our culture. If you're looking to grow your career in a place with adventure around every corner, then let's put on the kettle and have a chat!

The Opportunity	We are seeking a full-time, permanent, fellowship-trained Pediatric Ophthalmologist to assume a full-time clinical practice at the Janeway Children's Hospital in St. John's, NL. The Janeway is a 71 bed, tertiary care referral hospital, and our province's center for specialized pediatric care. The Pediatric Ophthalmology department has the support of Orthoptic services and on-site equipment: OCT, ultrasound, keratometer and RetCam. Fundus photography and visual field testing are available at the Health Sciences Centre in the same hospital complex. The Janeway is also a teaching hospital, affiliated with the nearby Faculty of Medicine at Memorial University of Newfoundland and Labrador (MUNL). As part of this role, the successful candidate will be involved in medical student and resident teaching. They will also have an appointment as a Clinical Assistant Professor with MUNL. For more information about the location, visit our website: Janeway Children's Health and Rehabilitation Centre - NLHealthServices
Qualifications	To be considered, you must: • Have certification by the Royal College of Physicians and Surgeons of Canada: Information by Discipline (IBD) • Certification in Pediatric Ophthalmology with fellowship in Pediatric Ophthalmology and Strabismus (or equivalent). • Be eligible for licensure with College of Physicians and Surgeons of Newfoundland and Labrador: Eligibility - CPSNL • Satisfy credentialing requirements of NL Health Services, including a satisfactory criminal record check and vulnerable sector check.

Compensation and Benefits	Remuneration for the provision of Pediatric Ophthalmology services is through an Alternate Payment Plan Agreement. Weekend call and adult strabismus services are reimbursed by the provincial Medical Care Program. Alongside our competitive salaries, we have generous incentives in place, offering up to \$275,000 to recognize your passion, dedication, and contributions to our province. Learn more about the various incentives below: Relocation Incentive (Government of NL): Relocation Policy Provincial Healthcare Incentives (Work in Health NL): Health NL Incentives
How to Apply	Interested applicants are asked to email us at: Recruit@WorkinHealthNL.ca <i>In accordance with Canadian Employment and Immigration requirements, preference will be given to Canadian Citizens and Permanent Residents of Canada. NL Health Services hire on the basis of merit and are committed to employment equity. All qualified persons are encouraged to submit an expression of interest. Only those selected for an interview will be contacted.</i>
