

Pediatric Ophthalmologist, Department of Surgery, Calgary Zone

The Department of Surgery, Alberta Health Services – Calgary Zone and the University of Calgary invite applications for a Pediatric Ophthalmologist. This position would include hospital-based practice at the Alberta Children's Hospital Vision Clinic as well as community-based practice. Required qualifications include a MD, certification by the Royal College of Physicians and Surgeons of Canada in Ophthalmology. The candidate must have completed a minimum of one year fellowship training in Pediatric Ophthalmology. Applicants must be eligible for licensure in the province of Alberta. This is a fee-for-service position and the anticipated start date is July 1, 2026.

The successful candidate will be expected to commit to pediatric ophthalmology care, both clinical and surgical at the Alberta Children's Hospital Vision Clinic. There will be access to operating time at the Alberta Children's Hospital, Rockyview General Hospital and Chartered Surgical Facilities in accordance with section policy.

The candidate will be expected to participate in the retinopathy of prematurity (ROP) screening program at all NICUs across the city. There is an option for an adult cataract surgery allocation if desired. In addition, the successful candidate will participate in the ophthalmology on-call group in accordance with the section of Ophthalmology.

The candidate will be expected to participate in medical student, resident and fellowship teaching, including direct clinical and surgical teaching and didactic lectures. There is an expectation for academic contributions in the form of research, education and administration. The candidate will be expected to collaborate and support the existing pediatric ophthalmology group. The successful candidate will become a member of the Section of Ophthalmology and the Section of Pediatric Surgery. The candidate will be expected to apply for a clinical appointment with the University of Calgary, Cumming School of Medicine, Department of Surgery.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents of Canada. To be considered, candidates must submit a complete application including a letter of interest, a letter of eligibility from the College of Physicians and Surgeons of Alberta (CPSA), a curriculum vitae and three letters of reference in PDF form to:

Dr. Stephanie Dotchin

Section Chief, Section of Ophthalmology
