

# OPHTHALMOLOGIST OPPORTUNITY

## JACKMAN EYE INSTITUTE

St. John's, Newfoundland & Labrador  
Full-Time Position | Comprehensive or Subspecialty-Focused

---

### Live. Work. Thrive on Canada's East Coast.

If you're an ophthalmologist looking to build a rewarding career in a vibrant coastal city with a strong sense of community, excellent work-life balance, and access to world-class outdoor recreation, Jackman Eye Institute in St. John's, NL, offers an outstanding opportunity.

St. John's blends the amenities of an urban centre with the warmth of small-town living. Enjoy short commutes, rich culture, and stunning landscapes – all while practicing in a modern, patient-centered ophthalmic clinic.

## ABOUT THE OPPORTUNITY

**Jackman Eye Institute** is seeking a full-time Ophthalmologist to join our growing team. We welcome applications from both comprehensive ophthalmologists and fellowship-trained subspecialists.

You will join a busy, **well-established practice providing medical and surgical eye care for patients from across Newfoundland and Labrador**. Our clinic serves a large and diverse population, offering a wide variety of cases and excellent long-term practice stability.

## WHAT WE OFFER

- A modern, fully equipped ophthalmology clinic
- Access to experienced ophthalmic technicians and diagnostic imaging
- A diverse surgical caseload, including cataract surgery and optional subspecialty procedures
- Collaborative support from our multi-specialty team
- Streamlined administrative support so you can focus on patient care
- Opportunities to participate in teaching, research, and community outreach if desired
- Competitive compensation package (fee-for-service or alternative arrangement)
- Relocation support available for eligible candidates

---

## CLINICAL & SURGICAL PRACTICE

### Typical clinical and surgical work may include:

- Comprehensive ophthalmic assessments
- Cataract surgery and refractive lens procedures
- Management of glaucoma, retinal conditions, cornea/external disease, and oculoplastics (depending on your skillset and interest)

- Emergency and urgent ophthalmic care
- Collaborative management with local optometrists and family physicians
- We are open to applicants with subspecialty training such as glaucoma, retina, cornea, oculoplastics, or refractive.

---

## WHY JOIN JACKMAN EYE INSTITUTE?

- A positive, collegial environment built on respect, teamwork, and patient-centered care
- Strong referral pathways and established patient volumes
- Flexible scheduling and a supportive team
- Opportunities to innovate, grow, and help shape the future of eye care in Newfoundland & Labrador

## LOCATION HIGHLIGHTS – ST. JOHN’S, NL

- One of the friendliest and safest cities in Canada
- Vibrant arts, food, and cultural scene
- Spectacular hiking, whale watching, and oceanfront living
- Affordable lifestyle with short commutes and excellent schools
- A perfect city for professionals and families alike

## QUALIFICATIONS

- MD with specialization in Ophthalmology
- Eligible for licensure with the College of Physicians and Surgeons of Newfoundland and Labrador
- Royal College certification (or equivalent) preferred
- Strong interpersonal and communication skills
- Commitment to high-quality, compassionate patient care

## HOW TO APPLY

Interested candidates are invited to submit:

- CV
- Letter of interest
