

HERZIG EYE INSTITUTE – CATARACT & REFRACTIVE SURGEON (OTTAWA)

Join a leading centre of excellence in vision care and help shape the future of refractive and cataract surgery.

Herzig Eye Institute is seeking a Cataract and Refractive Surgeon to join our Ottawa team in a full-time capacity. This is an exciting opportunity to build a comprehensive surgical practice within a highly collaborative, patient-focused environment, supported by advanced technology and an experienced clinical team.

Working closely with Medical Director Dr. Kashif Baig, you will play a key role in delivering exceptional outcomes while contributing to the continued growth and innovation of our refractive and cataract programs.

What You'll Do

- Deliver comprehensive cataract and refractive surgical care, from consultation through post-operative follow-up
- Perform a broad range of advanced procedures, including:
 - Laser vision correction (LASIK, PRK, SMILE)
 - Refractive Lens Exchange (RLE) and ICL procedures
 - Refractive cataract surgery, including femtosecond laser-assisted techniques
- Leverage advanced diagnostics and technology to guide clinical decision-making and optimize patient outcomes
- Provide thoughtful, patient-centered counseling on treatment options and expected outcomes
- Collaborate with a multidisciplinary team committed to clinical excellence and continuous improvement
- Contribute to a dynamic, high-performing surgical program with opportunities for growth and innovation

What You Bring

- Licensure (or eligibility) with the College of Physicians and Surgeons of Ontario (CPSO)
- Fellowship with the Royal College of Physicians and Surgeons of Canada (FRCSC), or equivalent training
- A passion for refractive and cataract surgery, with a commitment to outstanding patient care
- A collaborative mindset and interest in contributing to a progressive, team-oriented environment

Why Join Herzig Eye Institute

- Established reputation as a leader in refractive and cataract surgery
- Access to advanced surgical technology and diagnostics
- Strong referral network and opportunity to build a high-volume practice
- Supportive, experienced team focused on delivering exceptional patient experiences
- A culture that values clinical excellence, innovation, and collaboration

If you are looking to build a thriving surgical practice in a supportive, forward-thinking environment, we'd love to connect.
