

COMPREHENSIVE OPHTHALMOLOGIST (LOCUM)

Future Partnership Opportunity

Saskatoon, Saskatchewan

AN EXCEPTIONAL OPPORTUNITY

Join a busy, well-established comprehensive ophthalmology practice beginning July 2026. This locum position offers immediate access to a high-volume referral practice with excellent cataract surgical volume, efficient clinic workflows, outstanding clinical support, and the possibility of future partnership.

HIGHLIGHTS

- Busy comprehensive ophthalmology practice with diverse pathology
- Excellent cataract surgical volume
- Strong referral base and immediate earning potential
- Dedicated medical scribes, ophthalmic technicians, and surgical counsellors
- Mentorship from two experienced ophthalmologists
- Future partnership opportunity for interested candidates

WHO SHOULD APPLY

This position is ideal for an experienced comprehensive ophthalmologist or a confident new graduate seeking mentorship while building an independent practice.

QUALIFICATIONS

- Eligibility for licensure with the College of Physicians and Surgeons of Saskatchewan (CPSS)
- RCPC certification or eligibility (preferred)
- CMPA membership or eligibility
- Competence in cataract surgery
- Excellent communication and collaborative practice skills

LOCATION

Saskatoon offers an exceptional quality of life with affordable living, excellent schools, beautiful river trails, and a vibrant medical community.
