

Ophthalmologist – Associate to Partnership Opportunity

Point Edward, Ontario | Lake Huron | Canada–U.S. Border

The successful candidate will have the opportunity to share the care of our large and established patient population, allowing you to develop strong relationships with patients and referring physicians while becoming familiar with the practice and community.

As the relationship develops, there will be an opportunity for partnership and long-term involvement in the practice.

Clinical Opportunity

The practice provides a broad range of ophthalmic services, including:

- **Comprehensive ophthalmology**
- **Cataract surgery**
- **Glaucoma assessment and management**
- **Ongoing management of a large established patient population**
- **Shared care and consultation with an established referral network**

Our office is well equipped with modern diagnostic testing equipment and ophthalmic laser technology, providing the infrastructure and resources necessary to deliver comprehensive patient care.

Why Point Edward?

Located on the shores of beautiful Lake Huron, Point Edward offers an exceptional combination of professional opportunity and quality of life.

The community is conveniently located approximately three hours from Toronto and directly across the border from Michigan, USA, providing easy access to both Canadian and U.S. amenities and major centres.

Whether you enjoy waterfront living, outdoor activities, a close-knit community, or easy access to larger urban centres, Point Edward offers an attractive lifestyle for individuals and families.

The Ideal Candidate

We are seeking an ophthalmologist who is:

- **Licensed or eligible for licensure in Ontario**
- **Interested in comprehensive ophthalmology, cataract surgery and/or glaucoma**
- **Committed to providing high-quality, patient-centred care**
- **Collegial, professional and interested in developing long-term relationships with patients and referring physicians**
- **Interested in a long-term associate-to-partnership opportunity**

Subspecialty interests are welcome.

Join an Established Practice and Build Your Future

This is more than an associate position. It is an opportunity to join an established ophthalmology practice, immediately participate in the care of a large patient population, and work toward partnership and long-term practice ownership through a gradual and supportive transition.

If you are looking for an opportunity to establish yourself in a busy, well-equipped ophthalmology practice with an established patient base, strong referral relationships, and a clear path to partnership, we would be pleased to hear from you.
